MIRAZUR

Casting visions of the European seaside, Mirazur roughly translates to “look at the blue”. The undulating surface with refined imperfection captures just the right amount of light over a modern and vibrant color palette. An exceptional choice for a range of applications and styles, Mirazur brings fresh, upscale style to any space. Sustainably made in Spain, each piece truly creates natural beauty from the inside out.

DETAILS

- Variation in color, size, shade and surface texture will be present. The natural 'imperfect' characteristics of the Mirazur field body is part of the handcrafted process and does not affect the integrity of the tile.
- Clay body comprised of high recycled content.
- Crackle glazes must be sealed and require periodic maintenance. Some water-related darkening may still occur.
- Test all dark grouts on crackles prior to installation.

We are committed to delivering the highest quality handcrafted tile to you. Variation in shade, texture and size are inherent characteristics of our handcrafted tile. Always inspect your tiles before they are installed as installation constitutes acceptance.
